## Sport Scholarship 2018

Sports Scholarships are offered for entry at 11+ and 13+. Scholarship awards are based on current termly day fees and range from Minor: 10% to Major: 20%. Exhibitions may be awarded to candidates who show promise but do not meet the full standards required. Exhibitioners will be offered the same programme as scholars but with no financial award. Awards are valid up to the end of GCSE and can be reapplied for on entry into the Sixth Form.

Award holders are expected to maintain a high level of fitness and take part in sports activities with total commitment and enthusiasm. They will be expected to attend practices and matches throughout the year. Equestrian scholars are expected to compete on behalf of the School at relevant events throughout the year, they are required to liaise closely with the Equestrian Team Manager about competitions and training and ensure they keep a concise training and competition diary. All award holders will have the opportunity to participate in mentoring programmes, specialist coaching opportunities, and training programmes. Although it is extremely unusual for an award to be removed, a significant decline in commitment to the Department or performance would bring into question its continuance.

### Assessment

Candidates are expected to offer at least one of the major sports to a high standard, preferably County standard or above. Equestrian candidates at 11+ are expected to be a Pony Club or Riding Club Member or competing BD, BS or NSEA. 13+ candidates should be able to demonstrate the same with the additional of BE, if appropriate.

Candidates will be assessed by members of the PE Department in their chosen sport(s) and will be expected to show excellence and flexibility in performance and, where appropriate, will compete against or with existing students. Equestrian candidates must provide video footage or online assessment (minimum of 6 minutes) showing competition or training in preferably more than one discipline.
