# Estate Supervisor

## RESIDENTIAL

An exciting residential position has become available to join the Estate Team at this thriving School set in beautiful grounds on the outskirts of Sherborne. The role entails assuming responsibility for the day to day supervision of the Estate Team members and the works that they provide. This is a hands on role which will support the Estate Manager.

You will ideally have a Trade qualification and it is essential that you possess strong DIY skills. Estate management experience would be an advantage. This is a residential role and a two bedroomed flat will be available on site for the successful candidate.
