Hello Boundary Commission for England

I am writing to you under the Freedom of Information Act 2000 to request information regarding telecoms.

The attached spreadsheet shows a number of questions regarding your mobile and fixed line telephony. Hopefully the questions are self explanatory, note there are comments in several cells to further clarify the required information.

Please provide the information in spreadsheet format (preferably Excel, Google Sheets or software compatible with either program).

If there are any ways you think that my request could be refined please let me know. If you have any queries please don't hesitate to contact me (happy to do over the phone if you can provide contact details) and I will be happy to clarify any questions you may have.

Thank you for your time and I look forward to your response.

Best wishes,

Hendry, Angela
