Comment text:

I understand Cockfield Parish Council have submitted an adjustment to the proposed Glemsford, Long Melford and Lavenham wards. Their submission groups Cockfield within the Lavenham ward with Gt Waldingfield, Lt Waldingfield and Chilton. Glemsford ward would include Bosted, Stansted, Somerton, Hartest, Lawshall and Shimpling, and Long Melford ward would include Alpheton and Acton. Their proposal seems to offer a less contrived grouping centred on the neighbouring village of Lavenham whilst maintaining an acceptable level of electoral equality, and I support their proposals.
