**Organisation Name:** Holbrook Parish Council

**Comment text:**

Holbrook Parish Council have concerns over the size of the area allocated for Holbrook, Stutton, Tattingstone and Brantham and it would be better split into two single member wards in line with the core villages. We consider that Holbrook and Stutton are a better affiliation being of similar size and nature, Brantham and Tattingstone should be together. Also the proposal would result in a ward that is seven miles across which is considered too large an area.
