Comment text:

After speaking with parish councils and constituents, I believe the proposed three member ward would not work. Having two member wards has proved problematic as it is, three would be unwieldy. I propose the peninsula should be split into three single member wards. Ganges ward, including Shotley and Erwarton, possibly including Harkstead. Orwell ward, comprising Chelmondiston, Woolverstone, Freston and Wherstead. The Stour ward comprising Holbrook (and Lower Holbrook) Stutton and Tattingstone.
