Subject: Response to consultation on further draft proposals

Dear Laura,

Thank you for inviting Babergh District Council to comment on the further draft proposals for warding arrangements in the Babergh District. The Council is appreciative of the consideration that the Boundary Commission has given to its previous consultation responses and would like to thank the Commission for supporting the Council's submission in many areas of these latest proposals, particularly in relation to the utilisation of historic ward names.

The Council would have preferred to see coterminous boundaries between the parish wards in Sudbury and the district wards and therefore asks the Commission to reconsider these recommendations taking into account any comments made by Sudbury Town Council.

We look forward to receiving your final recommendations as soon as possible, in order to assist with election planning for May 2019.

Kind regards,

Emily Yule
