Subject: Electoral Review of Babergh

Dear Sirs

Members have considered options for Chadacre Ward which includes our parish of Shimpling.

We would support the Parish of Stanstead joining Chadacre Ward. This is a parish of similar size to Shimpling and it is felt we could retain a small village identity with this Ward formation.

Members are not keen to join with the Parish of Glemsford as this is a much bigger parish and members are concerned our small village identity would be lost or threatened when joining with parishes that are almost of town size.

These comments have also been given to our District Councillor

Kind regards

Linda Goodban
Proper Officer and Clerk to Shimpling Parish Council
