Subject: Boundary Review Carlisle City Centre

Dear Mr Cooper

Local Government Boundary Review of Carlisle.

I understand that the LGBCE are examining the warding arrangements for Carlisle City Council, and that comments and submissions are being accepted until the 7th of May.

The current Polling District the Lanes Shopping Centre is located in is JD This represents the commercial and retailing heart of the City. As Commercial Director of the Lanes we have, since the last review, expanded the Centre by 40% and attracted high profile retailers including Debenhams, Next and Primark.

The retailing offer of the City has vastly increased, as such we would hope the LGBCE would be able to site us as the core element of a new ward, rather than locating ourselves as an attachment to a residential area, as was the case up until 1999 when we were added into a Stanwix ward which bore little similarity to ourselves.

I look forward to hearing your thoughts on my suggestion.

Yours Sincerely

David Jackson

Kind Regards

David
