Re Boundary Review Carlisle.

Boundary Review Submission

Dear Mr Cooper

I write to you on behalf of Cummersdale Parish Council in connection with the Boundary review here in Carlisle.

I am aware that submissions with respect to Dalston Ward have been made by the Conservative and Liberal Democrats. Although there are differences in the boundary proposals, they both wish for Cummersdale to remain rural as part of whatever emerges as Dalston Ward.

Cummersdale Parish Council support this and urge that the polling areas OC1 (Cummersdale Village) and OC2 (Dalston Road including Grace Lane and Cloverfields estate) to remain in the Dalston Ward.

In OC3 Breckenleigh, the large new estate on Wigton Road (A595) has massively increased the number of residences in the Parish electoral roll and continues to expand, alongside the neighbouring urban estate of the same name. We suggest that OC3 be assigned to Carlisle Urban.

We ask that you give this your fullest consideration. In your review of the Ward boundaries.

Kind Regards

Keith McIntosh
