### Comment text:

I am disappointed that the LGBCE did not support the proposal for three wards with two councillors in each, to cover the areas of Ascot, Cheapside, Sunninghill and Sunningdale which was made by the seven borough Councillors in the Ascot area and supported by the Sunningdale and Sunninghill and Ascot Parish Councils. However, if this preferred option is not available I am supportive of the Commissions proposal for two wards, Ascot and Sunninghill and Sunningdale and South Ascot, each with three councillors with the exception that the area of the Windsor Great Park which is proposed to be included in Ascot and Sunninghill has a long association with Old Windsor and that this association should remain. Cllr. David Hilton, Councillor Ascot and Cheapside.
