Subject: Ward Names

Dear Mishka

As the Association Branch Chairman for Sandown & Lake, I wish to make representation about the Boundary Review you are undertaking for the Isle of Wight, in particular the Q2 Lake South Ward.

I understand that our Conservative Association Chairman, David Pugh has without the knowledge of the incumbent Elected Member, requested that this Ward's name be changed back to Shanklin North. As Branch Chairman for the Q2 South Lake Ward could I ask please that this Ward remains unchanged as Lake South.

I fully support the representation already made by the current Ward Councillor, Cllr Paul Brading when he says that there is no confusion of residents about the Ward identity and the demarcation of the boundaries. I suspect Mr Pugh's representation has more to do with political advantage rather than electoral balance and equality.

I do apologise for the lateness of this request but hope you can look on it favourably.

Thanking you,

Connie Cowley
Branch Chairman
Sandown/Lake Branch
Isle of Wight Conservative Association
