Dear Sirs

**Ref: Isle of Wight Warding Arrangements**

Bembridge Parish Council wishes to be represented by 1 Isle of Wight Councillor in a single member ward, bringing in line a coherent approach for the Isle of Wight being the only multi member ward.

Bembridge could be one ward and Brading with St Helens another ward. There is an understanding that this will be the approach recommended by the Isle of Wight Council and Bembridge Parish Council would support this approach.

Yours sincerely
