Dear Sirs

Re: Name change for Newport Parish Council

At a meeting of Newport Parish Council on 11th June 2018 the matter of the electoral review of the Isle of Wight and warding arrangements was considered.

The Parish Council made no proposal in terms of altering the geographical boundaries for the wards within our parish.

However, the members proposed the following name changes to make the wards more descriptive and representative of their distinct local districts.

Current	Proposed
Carisbrooke	Carisbrooke & Gunville
Newport Central	NO CHANGE
Newport East	Pan & Barton
Newport North	Fairlee & Whippingham
Newport South	Mountjoy & Shide
Newport West	NO CHANGE
Parkhurst	Parkhurst & Hunnyhill

Yours faithfully,

[REDACTED]

Daniel Faulkner
Clerk and Responsible Financial Officer
