

Dartford District

Personal Details:

Name: Jan Becket

E-mail: [REDACTED]

Postcode: [REDACTED]

Organisation Name: Bean Parish Council

Comment text:

Bean Parish Council members have studied the Commission's recommendations and consider that whilst the proposals are number based and that each Councillor would represent an equal number of residents it does not accurately reflect the workload of some of the Councillors, especially that of the Ward member for Bean & Village Park Ward which would be far greater than that of some other Councillors in neighbouring wards.
