Comment text:

Following our meeting this evening Nonington Parish Council would like to object to the proposed boundary changes in our area. The expansion of Aylesham of about 1200 houses plus a development in Nonington of a proposed 35 houses would be enough to satisfy the requirements for keeping 2 councillors and the ward remaining the same. To add bits and pieces of adjoining wards, Elvington and Eythorne, doesn't make sense geographically or historically and would create a workload for our existing councillors that could only be a detriment to us in Nonington. In Nonington Parish Council's opinion we object to any change in ward boundaries.
