Comment text:

My comments are focused on the Ward proposed as 'Merstham'. As a sitting councillor for the current Merstham Ward, I support the commissions proposal to include both Hooley and Netherne in the new Ward. However, in recognition of inclusion of these two communities, I would like to propose a more representative Ward name. Merstham, Hooley and Netherne This would respect the individual identity of each community while bringing them together under common political representation. Thank you Cllr Graeme Crome Merstham Ward Reigate & Banstead Borough Council
