### Comment text:

As a ward councillor for Redhill West, I am happy with the proposed changes, but feel the name should change if such a change is necessary to The Meads and Wray Common. It may also be sensible to not split the Cromwell Road Estate. I am concerned over the changes to Meadvale and St Johns, St Johns in particular has a pub, church, school and restaurant plus a new ish housing estate, these should not be moved to "Earlswood Common" but retained in Meadvale & St Johns. The St Johns Ambulance Station plus the Cotland Acres housing development should also remain in Meadvale & St Johns. I have had input into the Council's submission as a borough and county councillor and support the proposed changes submitted. Thank you. Cllr Natalie Bramhall
