Subject: Boundary Review Reigate & Banstead on behalf of Tattenhams Residents Association

Dear Mr Owen

On behalf of Tattenhams Residents Association I would like to express our support for the Boundary Commission's proposals on the new ward of Tattenhams & Preston.

We have discussed the proposals with residents who are relieved to see the majority of Tattenhams existing roads remaining within the new ward.

We will do our best to help extend the community spirit of Tattenhams and make Preston residents welcome.

Best regards

Mrs Rue Stanley
Chairman Tattenhams Residents' Association
