Dear Sirs

I am Chair of Tattenhams and Nork Conservatives.

Please note the preferred choice of the local party committee for the Boundary review for Nork Ward is to migrate those homes accessing the Beacon School as a polling station. To be clear those houses and flats sited between the Reigate Road and A217.

We do not want to see the carving up of the outlined Tattenhams Village by transferring those roads and homes adjacent to Epsom Downs from Tattenhams Ward to Nork.

Please acknowledge receipt of this email.

Many thanks for your urgent attention.

Yours sincerely

Jane Illingworth

Chairman

Tattenhams and Nork Conservatives
