

Bath and North East Somerset

Personal Details:

Name: Jane Griffiths

E-mail:

Organisation Name: Compton Martin Parish Council

Comment text:

Compton Martin Parish Council wish to object to the boundary changes proposed. It would appear the same rules are being applied to both rural and urban areas. The proposals to bring the Chew Valley North and South Wards together, to include Stanton Drew, as a two councillor ward achieves little and seems unrealistic particularly as we currently have two separate wards with two separate ward members.
