Please note the following response from Saltford Parish Council to the Electoral Review of Bath & North East Somerset:

Queen Charlton does not fit easily in an expanded Saltford Ward. There is no geographical, historical, or community link between Saltford and Queen Charlton. This is illustrated by the route taken by most people between these two communities which is through the town of Keynsham and out the other side. Queen Charlton more naturally aligns with Whitchurch near Bristol.

Regards,

Tricia Golinski, Parish Clerk  
**Saltford Parish Council**
