The Board of Manor Court (Leamington) Ltd support the current LGBC proposal that Manor Court should move from the Leamington Willes ward to the Leamington Clarendon ward. Manor Court is a high-rise block of 45 apartments on Avenue Road, Leamington Spa CV31 3NL. 65% of the apartments overlook the Pump Room Gardens. Our rationale is that our Members have very limited footfall and connectivity south, east or west of our blocks: it is largely to the north, in the Leamington Clarendon ward. This way we would be represented by a ward where the elected Councillors are likely to be more familiar with the type of considerations that typically matter to our Members. Manor Court (Leamington) is a company limited by guarantee. Its Lessees (i.e. Members) own the company and elect the Directors of the company. The Company Number at Companies House is 04939846. There are currently five Directors. They can be contacted through the Company Secretary care of Exclusive Property Management Ltd, [REDACTED]
