Dear [REDACTED],

Our ref: 09/14

Thank you for your email of 27 May 2014, requesting information under the Freedom of Information Act 2000.

You have requested:

“...the total costs of Three Rivers District Council Boundary Review”.

The Commission does hold information relevant to your request.

LGBCE commences around 30 reviews each year and each review follows the same process stages. We are currently undertaking a project to accurately allocate our costs to individual reviews.

The Three Rivers review began in July 2012, with preliminary discussions with the local authority, and ended in February 2014 with the laying and publication of the Order in parliament. We cannot provide you with precisely accurate costs for the review at this stage, but we are able to provide a reasonably accurate breakdown based on the types of reviews we undertook during that period and the overall costs incurred by the Commission.

For staffing (including travel) the costs were in the region of £21,819. For engagement costs, i.e. mapping (electronic and hard copy), costs relating to Commissioners' work on the review and printing, costs were in the region of £7,688.

If you have any further queries, please do not hesitate to contact me, quoting the reference number above in any correspondence.

If you wish to request a review of our decision, you should write to:

Sarah Vallotton
Business & Committee Services Manager
Local Boundary Commission for England
Layden House
76-86 Turnmill Street
London
EC1M 5LG

If you are not content with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision. Details of this procedure can be found on the ICO website: <http://www.ico.gov.uk>.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Local Government Boundary Commission for England.

Yours sincerely,

Sarah Vallotton
