Comment text:

Witchford Parish Council considers that Wentworth Parish should be placed in the same Ward as Witchford. This is because the parish boundary between Witchford and Wentworth runs along the middle of Sutton Road Witchford. Houses on the north side of Sutton Road Witchford are in Wentworth parish and houses on the south side of Sutton Road Witchford are in Witchford parish. This means that houses that are physically located in the village of Witchford are in Wentworth parish. Witchford Parish Council considers that residents of Sutton Road would find it simpler if both sides of the road were represented by the same District Councillors.
