RE: Lincolnshire County Boundary Review – Further Limited Consultation – South Holland – Crowland Ward

I am responding to this limited consultation in my capacity as a District Councillor for the Crowland and Deeping St Nicholas ward of South Holland District Council.

I fully support the Electoral Commissions updated boundaries for the Crowland ward. The part of Spalding previously included had little in common with the rural nature of Crowland and Deeping St Nicholas, whereas the new proposals include areas similar in terms of population, landscape and community ties.

Regards,
