Dear Sir/Madam

I write on behalf of The Whitgift Estate (East Croydon) Residents Association of which I am Chairman. I wish to make clear, for the avoidance of doubt, that this Association is not making any representations nor supporting any representations as regards alternative schemes put forward by other Residents Associations or other parties in this area. As a matter of policy we do not wish to get involved in a matter that is potentially politically contentious and we are content to abide by the current proposal or any other proposal that the LGBCE comes up with.

I would appreciate confirmation of receipt of this email.

Thank you very much.

Gerald Meredith-Smith
