Subject: Ward boundary changes

My wife and I are against the proposed ward boundary changes.

We live in Sandyhurst Lane Ashford which is a rural ward and fail to see any benefits for us to be swallowed up into the urban Goat Lees Ward.

Trinity Road is a modern development whereas Sandyhurst Lane has always been a rural area. The two are total opposites and therefore should not be combined, we feel the voices of Sandyhurst Lane residents in a rural area, would be lost to the urban demands of Trinity Road Residents.

Neither party's interests are no where near the same.

Yours Sincerely
