I live at The Hut, which currently falls under the Hawkinge boundaries but feel that this should be moved to place my abode The Hut, Paddleswoth Lane into the boundaries of Paddlesworth. This should also include Oak cottages and White Hall farm as we all consider ourselves to be part of the more rural community of Paddlesworth. We feel that we are geographical location makes us more active members of the Paddlesworth community and would like the boundaries to reflect this.
