Dear Emily Starkie,

Haddenham Parish Council has considered the draft recommendations and feels very strongly about the proposal for a Haddenham & Sutton ward.

Historically Haddenham has not been linked with Sutton and has nothing in common with the village and therefore it is felt that to put the two together would not reflect the interests and identity of the community of Haddenham & Aldreth.

Haddenham & Aldreth should be removed from the proposed ward of Haddenham & Sutton and become a single one member ward.

We sincerely hope that the views the Parish Council, which is best placed to know what would serve its community in the most appropriate way, will be given serious consideration before the final boundaries are agreed.

Thank you.

Jenny Manning  
Clerk to Haddenham Parish Council
