

South Cambridgeshire District

Personal Details:

Name: Janet Lockwood

E-mail:

Postcode:

Organisation Name: SCDC

Comment text:

As the current ward member for Harston and Hauxton, I write to support the SCDC proposal that the ward remains unchanged. Both villages now work together with common interests, for example in avoiding traffic congestion on the A 10 (a radial route into Cambridge liable to get increased traffic from new approved developments.) They are part of the same Church Benefice and share a Parish magazine. Hauxton residents use Harston post office and GP surgery. They are a community, which cannot be said of the collection of villages proposed to make up a bigger ward.
