**Subject:** Electoral Review of Peterborough

Dear Mr Morrison

Eye Parish Council represents Eye Village and Eye Green which are the two electoral wards separated by the A47 road.

Voting always used to take place in Eye Village in the Manor Farm Community Centre for both wards. In recent years this has changed and the electors in Eye Green have had to vote in varying places including the public house which has now closed and go to the village of Newborough which is approx 5 miles away. Eye Parish Council and many residents of Eye Green wish that voting for Eye Green reverts back to the Manor Farm Community Centre. This view has been put forward previously to Peterborough City Council.

Yours Sincerely  
Brenda Stanojevic  
Eye Parish Clerk
