Subject: Cambridgeshire County Council Boundary Review

Dear Sir or Madam

I write on behalf of the Conservative Group on Cambridgeshire County Council to ask that you include in your considerations our views.

We as a Group support the submission made by the County Council which seeks to reduce the number of councillors and therefore the number of electoral divisions from the current 69 to 63. We support too the desire to have only single member divisions.

Thank you

Cllr Mac McGuire

Deputy Leader of Conservative Group
Cambridgeshire County Council
