**Subject:** Proposed submission relating to Three Bridges in the Boundary Review

As the Crawley Borough Councillors for Three Bridges we wholeheartedly support the new recommendations being made for Crawley in the West Sussex review.

The proposals will be a major improvement for Three Bridges.

The residents of Pembroke Park, numbering more than a thousand, have never understood why they are part of Southgate at County Council level and part of Three Bridges at Borough level.

The new proposals which places them at all times in Three Bridges will be very much welcomed by them.

It will also remove the situation where there are two County Councillors representing parts of Three Bridges.

The new proposals will be more effective, efficient and easier to understand for residents as they will only have one County Councillor as the new proposals suggest.

We also welcome the proposal to link Three Bridges with the area of Pound Hill South close to Three Bridges station. There are often issues relating to the station which affect the residents of Three Bridges and the Pound Hill South residents living nearest to the station.

Having one County Councillor for this area makes perfect sense and provides for a more efficient use of time and resources.
