Dear Sir or Madam,

I support the revised recommendation for Crawley. I was very pleased to see that the part of West Green where I live will no longer be separated from the rest of West Green and thrown in with all of Southgate and parts of Three Bridges and Northgate as per your previous consultation. It is important to keep communities together, not tear them apart.

The new recommendation is much more logical. By keeping all of the neighbourhoods of West Green and Northgate together and then combining both neighbourhoods into a county electoral division, communities will stay together and local elections will be less confusing for local residents. I am certain that the revised recommendation will be welcomed by many residents of West Green who wish to see our neighbourhood kept as one area for both tiers of local government.

Best wishes,

Alison Berridge
