

Dear Boundary Commission Lead Review Officer

I am writing on behalf of the Residents' Association of Old Newnham (RAON), an association with 83 members in Newnham Ward, to **support the retention of the present boundary between Newnham and Castle Wards**, which are markedly different in many respects. We believe that the retention of the two separate wards will enable their Councillors to represent the two communities more effectively.

Regards,

Gillian Moore
Chairman, Residents' Association of Old Newnham (RAON)
