Consultation - new warding arrangements

Upleadon Parish Council would comment as follows:-

The Parish Council would like to see Upleadon remain within the Corse and Hartpury Ward, albeit if the Ward was required to be larger, would be happy to also include the parishes of Rudford and Highleadon. The reasons for this are the geographical similarities of being in the Leadon Vale, the natural barrier of woodland to the north, the main transport links to the nearby city of Gloucester as well as the neighbouring market towns. Whilst the parishes have individual community facilities to some extent, Upleadon residents use the other community facilities at Corse (Doctors' surgery), Hartpury and Rudford.

Yours sincerely

Mrs D Morley  
Parish clerk  
Upleadon Parish Council
