Subject: Ward/Parish Boundaries

Dear Sir,

I am on Bottisham Parish Council.

Bottisham Ward is very elongated. Could I suggest that it is merged with the Swaffham's to create a more sensible shape? Six Mile Bottom could then be incorporated into Chevely.

Six Mile Bottom suffers from being covered by several parishes. It would help the community if this could also be rationalised to a fewer number or just one.

Regards

Jon Ogborn
