Dear Mr Owen,

RE: ELECTORAL REVIEW OF THE LONDON BOROUGH OF BEXLEY

Cold Blow Residents Association covers around 100 households and has 95% membership.

Our thoughts on the response from North Cray Residents Association is to support their ideas for a combined St. James and St. Mary's Ward that could mean our combined efforts in our community would work to protect the valuable open land and woodland around this area therefore helping to prevent further destruction of our environment.

We therefore ask that you accept this letter even though it might reach you after the deadline date as our support of this concept.

Thank you for your consideration.  
Yours Sincerely

  
Mr D.Wiffen
