Subject: Cambridgeshire County Council Review

Dear Sir / Madam

I am a Cambridgeshire County Councillor representing the Ely South & West Division.

As I stated in my previous submission to you, I believe that representation of electors can be better achieved by having single Member Divisions; this is especially so at County level due to the numbers of residents involved. To that end, I believe that Trumpington and Queen Edith's should not be combined into a new two Member Division and that Newnham and Castle should also be kept as separate Divisions.

With thanks
Anna Bailey
