

West Sussex County

Personal Details:

Name: Vera Grainger

E-mail: [REDACTED]

Postcode: [REDACTED]

Organisation Name: Lindfield Rural Parish Council

Comment text:

Lindfield Rural Parish Council would like to comment that the proposed boundary changes are not appropriate. The proposed changes will result in streets/lanes in our rural Parish will become part of a ward which is urban in nature. Councillors were of the opinion that the streets more rural in nature were best allied with areas of a similar disposition. The changes are therefore contrary to the community and geographical nature of the area.
