Dear Sirs,

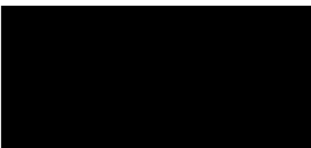

Reference: LGBCE Electoral Review of South Cambridgeshire – District Council

- 1. Preferred option - single ward for Harlton and Haslingfield**
- 2. Option 2 - two-member ward Harlton and Haslingfield with Comberton**

I write on behalf of Harlton Parish Council as regards the proposed three-member ward of Harston & Comberton. As a small parish we feel strongly that representation will be weaker if we have to share 3 District Councillors with several villages that are much larger than ours and have very different priorities. We have a strong association with our neighbouring village of Haslingfield and feel that our similar needs and concerns would be better represented in a single member ward with another one or two smaller villages in addition.

Our preference is for a single member ward with Haslingfield but would also find acceptable a two-member ward that included Comberton, Coton, Granchester and Barton as we share several close links with all of these villages.

Yours sincerely,

Richard Benson
Parish Councillor – on behalf of Harlton Parish Council
