Subject: Ditchingham Broome ward review

Dear sirs,
concerning this ward. Has the population count included the new residents of the Ditchingham Maltings development - with over 200 new residents in the last 12 months.

Hedenham - is very close to Ditchingham, has involvement with the Parishioner magazine which covers the three parishes of Ditchingham, Broome and Hedenham.

Thwaite - is separate from Ditchingham, wants nothing to do with Ditchingham and focuses on Seething and Broome as their closest neighbours.

regards

Brendon Bernard
District Councillor For Ditchingham, Broome, Hedenham and Thwaite.
