I have attached an Alternative Map to the one proposed by the County Council.

The map manages to keep many of the rural and coastal villages together as a great number of these work closely together on a variety of different items i.e. Shared speed signs, collaboration on funds from windfarm developments, planning issues.

Tetney and North Cotes are included in the map and I would class it as having an affiliation more to Grimsby than any other villages which look more towards Louth , but this is solely for the purpose of trying to create even electoral distribution.

This is probably not the ideal map and could do with more villages included into it, but is definitely a better starting point than the one proposed by the Administration of the Council.

Kind Regards

Daniel McNally
