Dear Sirs

Having studied the proposals regarding proposed ward changes I would like to submit the following comments/observations for consideration.

- 1.- I agree with the proposed reduction in the number of Councillors from 63 to 45.
- 2.- My address is [REDACTED] currently located in Danson Ward.
- 3.- I am also a Director of The Crook Log Residents Association Ltd which was formed in the mid 70's and represents the owners of 115 properties located in Portman Close, Regency Way, Adams Square, Gainsborough Square, Crook Log (Nos 30-60),
- 4.- The Association has frequent contact with Council Officers and Ward Councillors on various matters eg Highway/Footpath repairs.
- 5.- Having looked at the proposed 'New' Crook Log and Brampton Wards there is no reason why they should not be combined into a single ward represented by 3 Councillors.
- 6.- By combining the two it would improve the ratio of population to ward councillor based on both current and forecast population. It would also eliminate in excess 4000 residents being represented by just one Councillor.  
and provide sensible cover during holidays and possible sickness.
- 7.- In terms of identity I and other residents feel that the 'New' ward with 3 Councillors should be called Crook Log. As far as I am aware there is no area known as Brampton. Please bear in mind that the Crook Log Leisure Centre is located in your new Brampton Ward.

I trust you will give the above proposals due consideration.

Yours Faithfully

Gordon R Tall
