

Dear

Mishka / Mark

Lincolnshire – South Holland – Crowland Division

Thank you for your recent email outlining the limited consultation period regarding the above.

As the present County Councillor for the said division, I have examined all of the consultation documents and draft map appertaining to the South Holland area, I consider that the latest recommendation from yourselves now seeks to recognise the important Community links and the characteristics to which these rural areas have in common and **therefore fully support** them.

In writing, I would like to make my position clear that I make my observations with no political bias whatsoever, I also appreciate the considerable time and effort that the Boundary Commission has endured in this process.

Yours sincerely

Nigel Pepper

Lincolnshire County Councillor for Crowland, Dowsdale, Nene Terrace, part of Holbeach, Holbeach Drove, Holbeach St. Johns, Saracens Head, Shepeau Stow, Stowgate, Whaplode, Whaplode Drove & Whaplode St. Catherine.
