Dear Sirs,

PETITION TO REMAIN IN EATON FORD

I am thoroughly against the proposed boundary change. I do not wish to be part of The Priory & Paxton Division, even though they are a successful entity.

The "Eatons" have an excellent record for achieving combined venues. My former home was in Eaton Socon but on the demise of my husband I decided to downsize and chose Cavendish Court as my final move – Cavendish Court being part of the Eaton Group.

Had I wanted to be a part of The Priory & Paxton Division, I would have applied to purchase an apartment in that area.

Please do not go ahead with the proposal to change the boundary.

Yours faithfully,
