Organisation Name: Barton Parish Council

Comment text:

BARTON PARISH COUNCIL, Bev Edwards Chair Patrick De Backer Parish Clerk [REDACTED]
[REDACTED] Barton Parish Council, in conjunction with Coton and Grantchester Parish Councils, supports the draft recommendations for South Cambridgeshire ward boundaries by LGBCE which propose a 3 member ward "Harston & Comberton", on the condition that Madingley Parish Council is permitted to join "Harston & Comberton" ward as well. We note our concern that the move from single District Councillor wards to a 3 District Councillor ward will weaken effective representation. We also ask LGBCE and South Cambs District Council to note the strong historic links between Barton, Coton, Grantchester and Madingley Parish Councils. These parish councils formed the "Quarter to Six Quadrant" (QTSQ) to represent the common interests we share of pressure on transport and housing as rural communities on the fringe of a major city. Below is a link to the QTSQ website which evidences this common interest. <http://qtsq.org.uk/>
