Comment text:

Would suggest inclusion of Piccadilly Gardens Piccadilly Ward. Not only does the name match, but the gardens themselves have no residential population, so this would not imbalance the electorate size. Suggest Parkway should form boundary between Moss Side and Whalley range. Thus proposed area of Whalley range ward east of Parkway should be retained by Moss Side and a corresponding area west of Alexandra Road at the north-western edge of the proposed Moss side ward should be moved to Whalley Range. The whole of Broadhurst Park should be within the boundaries of Moston.
