I am writing concerning the Boundary review with regard to Shirley ward.

I disagree with the Council's proposals regarding the boundary changes, Shirley is a 'place' an identifiable area that was a still a village in the 1920s, residents from Long Lane to Bishops Walk think of themselves as living in Shirley.

Areas such as the Shirley Windmill, Shirley Hills stretching as far as Shrublands all identify and want to be part of Shirley, there are 7 active Residents Associations all working in and for the community.

Shirley Park should be integrated into Shirley, including Shirley Park Road and the Oasis Academy they are not in Addiscombe, if the Labour proposal goes through schools such as Edenham, Oasis Academy and Monk's Orchard Primary would no longer be in Shirley and divide the community.

I very much hope that you will consider my reservations and that of my residents.

Kind regards

Sue Bennett
